RE: FY 2008 Urban Areas Security Initiative (UASI) Nonprofit Security Grant Program (NSGP)
APPLICATION REQUIREMENT UPDATE

The Governor's Office of Homeland Security (OHS) has recently been informed by the Federal Emergency Management Agency (FEMA) of the need for a Duns and Bradstreet Data Universal Numbering System (DUNS) number on all nonprofit applications for the FY08 UASI NSGP grant.

The DUNS number must be inserted into the Investment Justification in the provided space beneath your 501c3 number. The revised template can be found below:

http://www.fema.gov/doc/government/grant/uasi/fy08_uasi_ij_template.doc

If you have already completed your Investment Justification, please complete it again using the above template. If you have already submitted your Investment Justification onto the Office of Domestic Preparedness (ODP) Secure Portal, please use the above template and then resubmit.

If you do not have a DUNS number, you will need to request one as soon as possible. The number to call is 1-800-333-0505. It can take up to five (5) working days to receive a DUNS Number so please call soon.

We apologize for any inconvenience and are happy to assist in any way we can.

For further information, please contact Martin Von Gnechten at Martin.Gnechten@ohs.ca.gov or (916) 322-1511

Sincerely,

Larry M. Davis
